

# God of Light

And God said: "Let there be light" - and there was light'. Gen 1 v 3

The light that shone at God's command at the start of creation is the same light that shines today.

Think for a moment on what you know about light.

What's the most amazing thing you know about light?

In a darkened room shine a torch and see how it brightens up the room.

What does the light make you feel?

Ask your parents to print a street map of where you live.

Ask them to light a tealight and place it on the map where your house is.

Pray that God will help your family to be a light to those who live near you.
