Where in the Bible: The Holy Spirit comes at Pentecost

Peter addresses the crowd Acts 2:1-40

Theme: The wait is over, the Holy Spirit comes to the disciples, the church of Jesus begins.

Activities: When the Holy Spirit came to the disciples they spoke in different languages, try learning how to say 'Jesus is Lord' in some other languages. Ask members of your family if they speak any other languages.

Song: Listen to 'We are marching in the light of God' by Siyahamba - Mwamba Children's Choir

When the Holy Spirit came there were flames that appeared over the heads of the disciples. Can you do a flame picture or creation? You could make a flame hat with a simple paper band round the head and a flame shape stuck on the front. Look at some of our pictures for inspiration.

Edible crafts: Volcano mash! Have a mash potato dinner and sculpt a volcano out of mash, fill with gravy or baked beans! Flame hot dogs use tomato sauce and mustard to give the appearance of flames around your sausage. Make some cupcakes with a candle to celebrate the first birthday of the church.

Prayer: *Father God, thank you for sending your Holy Spirit, help us to discover more about this amazing gift that unites everyone that believes in Jesus, from all different countries. Amen.*
